

# MEDICAL WORK EXPERIENCE

**In-Person Programme: 11 - 13 March 2024 and 17 - 19 June 2024**

**Virtual Session: Monday 22nd January 2024 via MS TEAMS**

**This programme aims to give Year 13/14 students, with the aspiration to study medicine, an insight into a career in hospital medicine.**

The three-day programme consists of:

- A day of interactive classroom sessions provided by a range of BHSCT medical staff on topics such as “The Doctor’s Career Journey” and “Applying to Medical School”
- One day of two clinical placements in one of the Trust’s hospitals

- 1/2 day skills based workshops which will give the students a taste of the lifelong learning doctor’s participate in e.g.
  - Basic suturing skills
  - Ask a Medical Student
  - An introduction to simulation

To apply for places please contact [workinspiration@bitcni.org.uk](mailto:workinspiration@bitcni.org.uk). No requests will be taken by students or parents, the register of interest must come from the school.

Due to the high demand, Work Inspiration will equally distribute places between schools.

**This is the only in-person medical work experience that the Belfast Trust will support.**  
**Sponsored medical placements are no longer permitted.**
