2024 STUDENT HEALTHCARE DEBATE

The Belfast Trust 8th Annual Student Healthcare Debate will take place in 2024 for year 13/14 school students who are considering a future career in Healthcare.

Healthcare is a much debated topic in our society and we want to give young people in NI a platform to share their thoughts on the nations healthcare.

In 2022, St Catherine's College, Armagh were victorious in opposing the motion 'Healthcare workers should not be allowed to strike' against Dominican College, Portstewart.

It could be your school in 2024.
