presents

2022 STUDENT HEALTHCARE DEBATE

Healthcare is a much debated topic in our society and we want to give a platform to young people in NI to share their thoughts on the nation's health and healthcare.

The Belfast Trust 7th Annual Student Healthcare Debate will take place, via MS Teams for the semi final, in November, for school students in year 13/14 who are considering a future career in healthcare. The final will be in December and hopefully in person if conditions permit.

In 2021, Thornhill College were our winners against Rathmore Grammar proposing the motion that 'Vaccination against Covid-19 should be mandated'

It could be your school in 2022.

Applications available from www.workinspiration-ni.com/student-healthcare-debate/

Applications deadline Monday 7 November 2022 5pm

Return completed applications to Kerri.McArdle@belfasttrust.hscni.net
